OAK HALL Bldg, CLARKSBURG
CALL ON US FIRST.

If you desire to make a safe invest-
ment in real estate that will bring you
from twenty-five to fifty per cent. in
the next two or three years come and see
us.

There is better opportunities in Clarke-
burg for good paying investments than
any other city in West Virginia. Why?
Because we have the cheapest natural
gas in the world; we are in the center of
one of the greatest coal belts in the
United States. Clarksburg is the freight
center of the State of West Virginia.
Pittsburg freight rates will sooner or
later be effective from this point. This
is the reason large manufacturing plants
are locating here and more to come.

If you have properties you desire to
sell, list them with us, we will find you
buyers.

NATURAL GAS RATES

The following prices for cook stoves
lights and gas sold by meter for domestic
use will be charged by the Clarksburg
Light & Heat Company beginning July
1, 1904:

Gross Rates.
Cook stoves, per month.....\$1.10
Jets, per month..... 11
Gas by meter (for domestic use),
per 1,000 feet..... 12
If paid on or before the 10th day of
each month there will be allowed a dis-
count from above prices of 10c on each
stove, 1c on each light and 2 cents on
each 1,000 feet of gas used through meter
for domestic purposes, making the
net prices:

Cook stoves, per month.....\$1.00
Jets, per month..... 10
Gas by meter (for domestic use),
per 1,000 feet..... 10
Meter readings for June will be
charged for at rate heretofore charged
by the old companies.

In fixing the above rates the new com-
pany has made use of the original prices
adopted by the West Fork Oil and Nat-
ural Gas Company at its organization.

It is not the desire of the new com-
pany to benefit by the forfeit of any
cash discount by its customers, the ob-
ject being to encourage the prompt pay-
ment of gas accounts, so the company
can promptly close its books.

After July 1, 1904, the office of the
West Fork Oil and Natural Gas Com-
pany will be discontinued, and all ac-
counts due them will be collected at the
office of Clarksburg Light & Heat Com-
pany, in Oak Hall building, on Main
street, present office of Mountain State
Gas Company.
